War Credit of \$500,000,000 to be Submitted
to Parliament

London, August 5th.—England declared war against
Germany last night at 11 p.m. The following official state-
ment was issued by the government at 12.30.—Owing to
the increasing rejection by the German Government of the re-
quest made by his majesty's government for assurance that
the neutrality of Belgium be respected, the British ambas-
sador at Berlin has received his passports and declared to the
German government that a state of war exists between Great
Britain and Germany from 11 p.m. Aug. 4th.

It is a significant fact that the British declaration fixes
11 p.m. for the state of war between the two countries, while
Germany notified Great Britain that a state of war would be
commenced by them at 7 p.m.

Italy has declared her neutrality, but in every European
country troops have been mobilised pending future develop-
ment. Subsequently Italy refused to assist Germany on the
grounds that Germany was the aggressor and it is believed
that Italy will declare war against Austria-Hungary.

Youngstown vs. Oyen

Oyen Win After Exciting Struggle

The ball diamond was the scene of a game between Youngstown and Oyen in which a novelty feature was introduced.

Mr. Peter Steffensen, one of the proprietors of the Alberta Hotel playing 2nd. base for Oyen, while the same position was filled on the Youngstown team by Mr. J. Howell, proprietor of the hotel at the town of the victors.

M. Howell is an old ball player and in spite of the fact that he has been out of the game a number of years showed up very well. What Mr. Steffensen lacked in knowledge of the game was more than made up for from a spectators point of view by his humour both on and off the field.

First Inning—Youngstown opened the score taking a handy first of two runs, to which Oyen failed to respond.

Second Inning Dalton showed good control and retired the visitors without score.

Quinn, first up at bat for Oyen, lashed out a great wallop which was just about good enough for a home run, but Freer who ran for him from 1st was compelled to hold third. Cunningham next at bat failed to make first, but meanwhile Freer got home on a passed ball. McDonald and Steffensen both fanned.

Third Inning—Youngstown failed to increase their lead, although they had a man on second and third.

Oyen—Green first up safe on first. Heine fanned. Green took second on a passed ball. Freer walked to first. Ty Cobb (Charbonneau) singled, filling the bases. Dalton fanned.

Quinn, with two and three rolled on him, slashed out a nice double which brought Green and Freer and Charbonneau home. Cunningham walked. Rennie (who ran for Quinn) held second. McDonald hit to short stop making first, but Rennie was caught off the sack at third, which ended a lively inning.

Fourth Inning—Youngstown retired one, two, three.

Oyen. Ditto, ditto.

Fifth Inning—Youngstown. Trojan smashed out a green drive which bounced over Green's head enabling the batter to circle the bases. Smith next up drove one out to center field for three sacks. Ciesly fanned. Wenger smashed out a three bagger, which brought home Smith, and tied the score. Youngstown team were wildly excited and things looked pretty bad for Oyen. Dalton, however was equal to the occasion and fanned the next two up.

Oyen's Freer found Charbonneau walked. Dalton singled. Chyboffjeau was caught between second and third, Dalton making second on the play. Quinn up hit and two and three rolled on him kept hitting froak. Dalton singled the catcher to make a throw to second when he started off to steal third. The ball was fumbled and Dalton dashed for third. The throw to third was wild and Dalton came home, ending the game, amidst the wildest excitement.

The score by innings
Youngstown 2 0 0 2 4
Oyen 0 1 3 0 1 5
